general information

GREETINGS FROM THE DIRECTOR

While the summer season is traditionally our busiest time of year (this past summer being no exception), it doesn't mean your local parks & recreation staff are slowing down. Even as the days grow shorter and the foliage begins changing, UDP&R will continue delivering high quality service to Upper Dublin residents in the parks and at our programs and events.

Colin Klauder, our new Recreation & Field Specialist, joined our department in June. Colin spent his summer learning about how we operate, overseeing some of our speciality camps, managing athletic fields and setting up meeting rooms. Beyond fields and facilities, Colin will be focused on our pre-school and school-age residents. Please reach out to him with program and event ideas.

After a 2+ year hiatus, we are excited to announce the return of our bus trips. Two will be offered this fall - a Brewery Tour in November and a NYC Day Trip in December - we hope you'll join us! Recreation Division staff are looking to add more trips in 2023 so tuned.

The development at Twining Valley Park is progressing as a new parking lot opened in August adjacent to the dog park. Assuming the weather cooperates, we hope to have the 5+ miles constructed and the site work completed at the park by the end of 2022. This will nearly double trail miles available in the Upper Dublin park system.

The pages of this issue are filled with information about services UDP&R offers year-round, plenty of programs and events like the reimagined Search for the Great Pumpkin and brand new ones like Evening Escape.

With so much going on and opportunities for a variety of interests, we trust you'll find something that appeals to you. Have a great fall season - we hope to see you out in the community!

Get out, Get active & Make a difference.

Derek Dureka
Parks & Recreation Director

COVID-19 Safety Protocols

UDP&R follows the CDC guidelines and recommendations. If you have any questions, please contact us at 215-643-1600 x3443.

Don't Be Disappointed! Register at least one week prior to the start date. UDP&R sets dates at which a “go/no go” decision must be made. If a sufficient number of registrants is not reached by that point, the program may be cancelled by UDP&R.

Resident or Non-Resident?

A “resident” is anyone whose legal address is a residential property located within Upper Dublin Township. All others will be charged the NR surcharge, regardless of who registers for the activity. “R” is the resident fee and “NR” is the non-resident fee.

PLEASE NOTE: A *\$10 per person per session administrative fee is deducted from any refund issued. *Fee may vary by program.
