general information

GREETINGS FROM THE DIRECTOR

As our community continues to rebuild from the September 1 tornado, the Upper Dublin Parks & Recreation Department is doing the same in our parks and with our programs and special events.

Throughout the Township's park system, over 2,400 replacement native trees and shrubs will have been planted between March and June. The majority were planted at Tannerie Run West (Park) by a contractor, but around 800 trees will be planted by volunteers (UD C.A.R.E.S. and Eagle Scout candidates) at 4 other locations that were affected by the tornado. Volunteer opportunities are available for planting as well as maintenance of the young plants. Interested individuals should sign up to receive the monthly UD C.A.R.E.S. email that will list upcoming events.

After a hiatus due to COVID-19, staff is excited for the return of summer camp favorites including Kidz Stage and X-Zone (with its daily trips). Many camps filled quickly this spring, but there are still plenty of opportunities for children to grow, learn and play. Our popular Flea Market and Sports Swap events will be June 4 in the parking lot of the Upper Dublin Library. UDP&R's Summer Concert Series will feature an array of talented musicians on Sunday evenings in July and August – please come and join us!

While many things are returning to Upper Dublin, there are some new things coming soon. Construction of 5+ miles of trails at Twining Valley Park should begin this summer with completion scheduled for late fall. This process began in 2014 with a feasibility study of the property, continued with it becoming a park in 2019 and the opening of the new dog park in 2021. Keep an eye out for other new park amenities in the future including pickleball courts and a graduated bike park. All of us at UDP&R appreciate the opportunity to continue serving you – thank you for that!

Get out, Get active & Make a difference.

Derek Dureka
Parks & Recreation Director

upper dublin dog parks

Located at 1400 Twining Road, Dresher, Twining Valley Dog Park is NOW OPEN! The park is nearly 4.7 acres spread between 3 different enclosures. The small enclosure (dogs under 25 lbs) is .9 acres, the medium enclosure (dogs 26-49 lbs) is 1.75 acres and the large enclosure (dogs 50+ lbs) is 2 acres.

Frequently Asked Questions:

- **Where do I park?** For the time-being, dog park users must park in the main Twining Valley Park parking lot by the former golf clubhouse and use the tunnel that connects the two sides of the park. **A 50 car parking lot is being constructed adjacent to the dog park and will be completed by Fall 2022.**
- **Will the existing dog park, MonDaug Bark Park, be closed?** At a future date, Mondaug Bark Park will be closed for maintenance: improving site drainage, re-establishing grass and planting trees. The entry gates will be equipped with the same electronic access system being installed at the Twining Valley Dog Park.
- **Where are dogs allowed at Twining Valley Park?** Outside the enclosures, leashed dogs can be walked throughout the entire 105-acre Twining Valley Park property. Emphasis on leashed!
- **Will a membership or fee be required to access the Twining Valley Dog Park?** **Membership is not required at this time, but will be in late 2022.** Future access will be membership based and restricted with an electronic access system. Members will be issued a fob to gain access to the enclosures, which is free for UD residents with a \$5 security deposit, \$75 per year for non-residents and \$200 per year for commercial users. An online orientation will be required to be completed. Proof of current vaccinations and a current Montgomery County dog license will be required. Once re-opened, the same electronic access system will apply to Mondaug Bark Park. Membership will provide access to both facilities.

All Twining Valley FAQ's can be found at www.upperdublin.net.
