general information

Greetings from the Director

What a fun and eventful summer in Upper Dublin Township it was! Our many camps, concerts, community pool, and other activities provided plenty of opportunities to create and share memories. I commend our Recreation Division staff for their tireless work to deliver this past season's programs and events. Looking forward to the next few months, the same staff has planned a multitude of new experiences for you to try. Just look for the "NEW" emblem throughout this edition of the Leisure Guide to find those programs and events.

Towards the end of the summer, our Parks Division saw a new employee start. Gabbie Berry is now serving as our Natural Resource Manager. In this role, you may encounter Gabbie in one of our parks managing the thousands of new tree plantings, planning rehabilitation work for an area overtaken by non-native vegetation, or overseeing a UD C.A.R.E.S. volunteer event. I hope you will join our efforts to continue the positive trajectory our parks are experiencing as more native vegetation is being planted and more property is being naturalized.

As part of UDP&R's 2025 capital budget request, the department is hoping to move forward with several of the 70 Missing Connections identified in the 2023 Open Space Plan. Stay tuned for more information about this important work that will improve pedestrian and cyclist safety while adding to the current connectivity network in our community.

As always, I encourage you to:

Get Out, Get Active, & Make a Difference.

Derek Dureka
Parks & Recreation Director

Facility Rentals

Planning a picnic, party or social event? Consider renting fields, courts or pavilions at Mondauk Common or SPARK! Take a look at UDP&R sites - pavilions, softball and baseball fields, volleyball and basketball courts are available for rental. Hosting a race? Rent the trails at Twining or the track at Mondauk Common! Hosting a meeting? Rent a room at UDPL! Rentals are available year-round. Only community events will be considered in other parks; personal or closed events will not be considered for permitting. Visit www.upperdublin.net or call UDP&R at 215-643-1600 x3238 to reserve. Please note there are limited Saturday rentals at Mondauk Common during soccer season.

For-Profit Commercial Rentals

All for-profit commercial vendors require a permit to operate within an Upper Dublin Township park. These vendors include, but are not limited to, personal trainers (fitness & sports), sports leagues, recreation providers and dog trainers. Permits can be sought by contacting the UDP&R office.

Cancellation, Transfer & Refund Policy

Unless a special cancellation policy is stated, the following will apply:

- UDP&R reserves the right to cancel any program, trip or activity due to insufficient registration. A full refund will be issued.
- Inclement weather may prompt cancellation. If you are registered, you will receive an email and a phone call. For drop-in or walk-in programs, check our website and Facebook page for updates. Sessions will be rescheduled on another date, if possible.
- Cancellations by email, voicemail or by speaking to someone in the UDP&R office are accepted.
- If your status in a program changes, contact UDP&R immediately to document the change.
- For **TICKETS-ONLY SERVICES**, refunds are **not** possible.
- For **PROGRAMS AND SPECIAL EVENTS**, cancellation more than 10 business days prior to the start results in a full refund minus up to a \$10 fee per person per program or event. Cancellation within 6-10 business days prior to the start results in a 75% refund minus \$10 fee. Cancellation within 5 or less business days prior to the start can result in no refund.
- For **TRIPS**, cancellation more than 30 days prior to the trip results in a full refund minus a \$10 fee per person. Cancellation less than 30 days prior to the trip can result in no refund.

Resident or Non-Resident?

A "resident" is anyone whose legal address is a residential property located within Upper Dublin Township. All others will be charged the NR surcharge, regardless of who registers for the activity. "R" is the resident fee and "NR" is the non-resident fee.

PLEASE NOTE: A *\$10 per person per session fee is deducted from any refund issued.

*Fee may vary by program.

NEW: As of September 3, 2024, a non-refundable processing fee of 2.5% or \$1.95 (whichever is greater) will be added to all credit card transactions made through Upper Dublin Township. The processing fee is paid directly to a third-party credit card vendor and is not paid to the Township. Note: for discount tickets ordered through Parks & Recreation, the only acceptable forms of payment are cash & credit cards.

Don't Be Disappointed! Register at least one week prior to the start date. UDP&R sets dates at which a "go/no go" decision must be made. If a sufficient number of registrants is not reached by that point, the program may be cancelled by UDP&R.

WAITLISTS: Waitlists are formed when a program fills. Only age appropriate participants will be waitlisted.
