

Upper Dublin

Memory Garden

Community members are invited to be part of the Memory Garden in Upper Dublin in the hillside area at the park site on

Highland Avenue, known as Veterans Memorial Park.

The purpose of the garden is to honor the lives of family members, loved ones, and friends. The site is a quiet place to visit - to walk or sit in peaceful surroundings, enjoy nature, and reflect. Park benches at the site that were previously donated for the garden area. Seed money for the Upper Dublin Memory Garden was raised by Upper Dublin High School students at events in 1999 and 2000, "Up All Night with C J. and Brian."

In 2002, the garden concept and design plan was accepted by the Upper Dublin Board of Commissioners. The Memory Garden was installed and dedicated in spring 2007. It is an effort supported by the Upper Dublin Parks & Recreation Department, which manages park sites in the township.

The garden includes trees, shrubs, perennials, and seasonal flowering bushes. The garden design was created courtesy of LandConcepts Group, and includes plant materials with seasonal interest and low maintenance. Joe Perry Landscape provided ground preparation and professional assistance as needed for the planting.

The landscape design allows for permanent pavers that will identify family members, friends, or loved ones. New inscribed pavers are added to the garden throughout the year. Below is a form to assist you with the paver inscription. Each 4" x 8" paver costs \$100. The Memory Garden is also funded through direct contributions.

Thank you for your support.
